### POLICY

#### 1. School profile

Somers School Camp is a multi-campus (Woorabinda & Somers) residential school within the Department of Education and Training. Somers School Camp is also a member of the Residential Outdoor Schools Association. The school's educative purpose – "Experience FOR a lifetime" – is realised by outdoor learning and a residential program that focuses on personal, social, critical thinking, environmental and sustainability domains of the Victorian Curriculum.

The Somers Campus caters for 160 students over a 9-day network residential program to Year 3 to 6 students from across Victorian government schools. The Woorabinda Campus also caters for approximately 3000 students per year, by offering 3- 5 day residential programs to Year P-6 students

mostly from individual Victorian government primary schools. Our students generally attend as a cohort of 20 to 100 students and are accompanied by Visiting Teachers from their home school

At Somers, students develop a deeper connectedness with the natural environment, learn to cope with challenges, develop team skills and leadership. We design and implement educational programs that cater for students from Prep – Year 6. These residential programs are tailored to meet individual school requirements. The programs on offer include Community and Teamwork, Resilience, Challenge and Trust and Sustainability and Indigenous Connections. At Woorabinda, students' learning is based upon interactions in the natural world. Woorabinda aims to:

- Develop in students an understanding of our relationship with the environment, others and ourselves.
- Inspire curious and adventurous learners who can transfer this knowledge, skill and disposition to actively contribute towards a sustainable world.

Our curriculum is driven by Victorian Curriculum framework. Our students engage with the curriculum through outdoor learning opportunities from an Outdoor Education perspective. This includes adventure activities, nature education activities and learning aligned with educating for sustainability.

Somers School Camp has, for many years, acknowledged high levels of student engagement through anecdotal evidence, student and visiting staff feedback and the Student Attitudes to School survey data.

## 2. School values, philosophy and vision

Somers School Camp's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, integrity and kindness at every opportunity.

Our school's vision is to enrich our students through the delivery of exemplary community living, environmental awareness and outdoor learning programs.

Our Statement of Values centres around Community, The Child, Learning and The Environment and is available online at: [www.somersschoolcamp.org/vision](http://www.somersschoolcamp.org/vision).

## 6. Student behavioural expectations and management

# Somers School Camp

Behavioural expectations of students, staff and families are grounded in our school's Statement of Values. Student bullying behaviour will be responded to consistently with Somers School Camp's Bullying policy.

When a student acts in breach of the behaviour standards of our school community, Somers School Camp will institute a staged response, consistent with the Department's policies on behaviour, discipline and student wellbeing and engagement. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implement positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- warning a student that their behaviour is inappropriate
- teacher controlled consequences such as moving a student in a classroom or other reasonable and proportionate responses to misbehaviour
- withdrawal of privileges
- referral to the Campus Principal
- engagement in restorative practices
- behaviour support and intervention meetings
- removal from program

Suspension, expulsion and restrictive interventions are measures of last resort and may only be used in situations consistent with Department policy, available at:

- <https://www2.education.vic.gov.au/pal/suspensions/policy>
- <https://www2.education.vic.gov.au/pal/expulsions/policy>
- <https://www2.education.vic.gov.au/pal/restraint-seclusion/policy>
